HOTEL COMPLETES THREE YEAR RENOVATION

MESA, AZ, SEPT 2, 2008: The Hilton Phoenix East/Mesa has recently completed an eleven million dollar renovation of the entire hotel including the meeting space, guest rooms & public areas. "We are now, without question, the finest hotel in the Phoenix/Mesa market and will continue to perform exciting renovations to continually upgrade the hotel to exceed our guest's expectations" said Gary Levine, general manager.

The following will give you an overview as to the extensive renovations projects we have undertaken in the past three years. We urge you to stop by anytime to experience the very best Hilton has to offer.

The eleven million dollar renovation includes:

- All guest rooms have new case & soft goods, wall treatments, bathroom vanity & fixtures, 32" or 42" HDLCD TVs, carpeting, linen, décor and much more.
- All meeting rooms with new carpeting, wall treatments, mahogany doors and lighting.
